COME BACK AGAIN <u>Come Back Again (Original Version)</u>

```
      A                      A7
V1 I'm mopin' around the streets late at night
      A                           A7
I'm worried because you ain't treatin' me right
D          Dsus G      D            A
Come back again  I'm just crazy 'bout you babe
```

```
V2 I spoke to your mum and I spoke to your dad
They said I was crazy, made me feel sad
Come back again I'm just crazy 'bout you babe
      A                A7
V3 Feelin' so sad, so lonely too
       A                           A7
You don't know how it is to feel sad and lonely and blue
D          Dsus  G     D            A
Come back again I'm just crazy 'bout you babe
```

```
V4 I spoke to your dad and I spoke to your mum
They said go away boy and leave us alone
Come back again  I'm just crazy 'bout you babe
```

```
INSTR = verse x 2
           A       A7
BRIDGE  I really don't know what to do
Everything you say just make me feel blue
D          Dsus  G     D            A
Come back again I'm just crazy 'bout you babe
```

```
V5 I went to the dance, but I went all alone
I watched you dancin' then I followed you home
Come back again I'm just crazy 'bout you babe
```

INSTR verse x3

```
V6 I'm mopin' around the streets late at night
Worried because you ain't treatin' me right
Come back againI'm just crazy 'bout you babe
```

REPEAT BRIDGE ->

```
D          Dsus  G     D              A
Come back again I'm just crazy 'bout you babe
Come back again  I'm just crazy 'bout you babe
```
